

Shipping Planner

The MDP (Mono-Direction Processing) Shipping Planner allows the warehouse manager to easily plan outgoing shipments

OUR ITEM BIN MANAGEMENT CAN:

- Organize all customer sales and vendor return orders that needs to be shipped
- Plan out shipping schedule to optimize carrier and container load
- Easily create warehouse shipments and picks with a click of a button
- Quick visibility of the status of the order as it travels through the warehouse
- Drill down to the individual picks and direct warehouse traffic with a single click
